

Be a Carbon Buster

Source: Cartoons 2001

Join the Queensland Conservation Council in promoting non-polluting commuting.

CARbon Busters day is a time to encourage the use of alternative transport options.

Some ideas:

Free native trees for people who use public transport, ride or walk.

Challenge a polly to the "CARbon Busters Day Politicians' Green Transport Challenge".

Free dress day at school or work for public transport users, cyclists and walkers.

Become involved by organising an activity at your workplace, school, university or elsewhere.

CARbon Busters can provide free native trees to reward non-polluting commuters, offer media advice, provide you posters and help spread the word. For more details, contact Mark Davis on (07) 4727 9313/0418199988 or mpd@townsville.qld.gov.au

Please Fax to (07) 47 279313; or detach and post to: CARbon Busters Day, Townsville City Council, P O Box 1268, Townsville, QLD 4810

Yes I want to be part of CARbon Busters Day 2004 on Wed 17th March.

I'd like to coordinate a CARbon Busters Day event(please circle): at work / at school / at university / elsewhere

- I would like free native trees
I'd like some help organising a CARbon Busters Day event.
I would like materials to promote the Day
Please help me promote a local event through the media
