ENTRY**

SMART home & lifestyle

SUSTAINABILITY EXPO

Every household and business must take action to reduce their water and energy consumption, and be pro-active in minimising climate change.

Visit Townsville's first Expo showcasing products and services for use in homes, offices and gardens that save water, reduce waste, increase recycling or provide cleaner energy.

**Townsville City Council,
Walker Street
February 23 - 24, 2008
10am - 4pm**
