

GREENING TOWNSVILLE COMMUNITY TREE DAY

Community Tree Planting in Your Neighbourhood

Townsville City Council is planning a community tree planting as part of the Greening Townsville Program in your local area.

- » **When:** Saturday 14 August 2004
- » **Where:** Ross Creek – adjacent to the new Railway Station (2nd Planting)
(parking is available at the Railway station)
- » **Time:** 8:30 am
- » **What to bring:** Hat, gloves, sturdy footwear, sunscreen, drinking water
- » **Free BBQ and drinks after planting**

The planting will be a combination of local native trees and shrubs. This planting is a continuation of the successful community tree planting held on the 26 June 2004. It aims to enhance the amenity and the habitat values of Ross Creek for local flora and fauna and help achieve a Townsville that is Clean and Green. Community involvement is important and we would welcome your participation. For more information please visit www.soe-townsville.org/treeday/

If you have any enquiries about the planting please contact Townsville City Council Environmental Management Services on 4727 9310 or on mobile 0438 760 145.

We look forward to your participation.
