Date >> 04 May 2005

Dear Residents

Following enthusiasm from Douglas residents at a recent community meeting I hosted, the Council is staging a community tree planting event.

This is a great opportunity to make sure the riverbank in the established part of Douglas is something we can be proud of.

- >> **When:** Sunday 8 May 2005
- >> **Where:** Banks of the Ross River – Douglas
(meet at the Rotunda in Douglas Park)
- >> **Time:** 9:00 am - 11:00 am
- >> **What to bring:** Hat, gloves, sturdy footwear, sunscreen, drinking water
- >> **Enjoy a free BBQ and drinks after the planting and take home a free local native plant complete with growing instructions.**

The planting will consist of a combination of local native trees and shrubs. It will enhance the natural habitat of the banks of the Ross River, and help eliminate weeds. Community involvement is vital and I welcome your participation. Everyone is welcome to participate in our Community Greening events. All site preparation (including hole digging) will be done by Council's Greening and Waterway team prior to the event. Activities on the day will include tree planting, fertilising, mulching and watering.

If you have any enquiries about the planting please contact Townsville City Council Environmental Management Services on 4727 9310 or on 0437 431 855 on the day of the event. Also visit www.soe-townsville.org/treeday/.

I look forward to seeing you.

Yours Sincerely

David Crisafulli
Councillor – Division 10
