

GREENING TOWNSVILLE

COMMUNITY GREENING EVENT

You are invited to a community tree planting in your neighbourhood

Townsville City Council is hosting a community tree planting in your local area to protect and preserve the habitat of the Edison Street Reserve. The planting will be a combination of local native trees and shrubs, which will help improve the amenity of the park, stabilise the creek bank, protect water quality and prevent erosion. It will also enhance the habitat values for local flora and fauna and help achieve a Townsville that is Clean and Green.

- » **Where:** Edison Street Reserve Wulguru
- » **When:** Saturday 9th April 2005
- » **Time:** 8–11am
- » **What to bring:** Hat, gloves, sturdy closed footwear, sunscreen and drinking water.
- » **Enjoy a free BBQ and drinks after the planting and take home a free local native plant complete with growing instructions.**

- » If you have any enquiries about the planting please contact Townsville City Council Environmental Management Services on 4727 9310 or 0437 431 855 on the day of the event. For more information please visit www.soe-townsville.org/treeday/

Everyone is welcome to participate in our Community Greening events. All site preparation (including hole digging) will be done by Council's Greening and Waterway team prior to the event. Activities on the day will include tree planting, fertilising, mulching and watering. Ongoing site maintenance and watering will be a council responsibility.

We look forward to seeing you at this community event!
